

Kester Pocket Paks®

Exclusively From NTE Electronics, Inc.

The Kester Pocket Paks® that were discontinued a few years ago are back in the NTE line. Exclusive to NTE, and available only through NTE Distributors, these revised packs are being packaged by NTE using original Kester solder and tubes.

Alloy Conversions: SN=Tin, PB=Lead, AG=Silver, CU=Copper, SB=Antimony, K100LD=Kester Blend Copper/Tin
